_ About the event

LATEST UPDATE ON THE WORLDWIDE PEANUT INDUSTRY

THE WORLD PEANUT MEETING 2024 will provide a unique opportunity to get the latest news on the supply and demand dynamics of the international Peanut Markets. Top managers from the peanut production, processing, and distribution industries will offer presentations and answer questions from the audience in order to provide a complete and accurate perspective of the trends of this market.

_ About the event

A CLOSE LOOK AT PEANUT PRODUCTION

THE FINAL DAY OF THE EVENT is exclusively reserved for an immersive visit to peanut farms and industrial processing facilities. Participants will have a unique opportunity to observe the entire lifecycle of peanut production, from cultivation in the fields to the intricate processing procedures carried out in the factories located in the picturesque province of Cordoba.
